Fund's investment risks.	Disclaimer: All investments in the Pension Fund are subject to market risks. The value of such investments varies subject to market fluctuations and risks inherent in all such investments. Participants should read this Offering Document carefully to understand the investment policies, risks and tax implication and should consult legal, financial or tax advisors before making any investment decision.
Any other key information peculiar to the product which would help investors to determine if the product is suitable for them.	Investment in the Pension Fund is suitable for participants who have the ability to take the risks associated with financial and capital market investments. Capital invested in the financial and capital markets could, in extreme circumstances, lose its entire value. However, diversification of the investment into a number of highly liquid equities, income securities and repurchase transactions tends to reduce the risk substantially. The historical performance of the Funds, the financial and capital market or that of any one security or transaction included in the Fund's portfolio does not indicate the future performance
