Company History & Sponsors

Bank Al Habib Limited

Bank AL Habib Limited was incorporated in October 1991 by the grandsons of Habib Esmail and started operations in January 1992. Although Bank AL Habib commenced operations in 1992, it embodies the same high standards of integrity, prudence, and trust which have characterized Habib Family's banking operations in Pakistan and abroad for about 70 years. The bank is particularly conscious of the trust reposed in it by the depositors, and its prime duty is to protect and honour this trust all times. Guided by the values taught and practiced by Habib Esmail more than a century ago, the bank has continued to grow and progress in all areas of its operations. In a short span of 25 years, the Bank's assets have grown to more than Rs, 750 Billion.

- Bank Al Habib has a network of 628 branches and sub-branches.
- Bank Al Habib also has wholesale branches in the Kingdom of Bahrain, Seychelles and Malaysia.
- Bank Al Habib has representative offices in Dubai, Istanbul and Beijing, China.

Tax Rebate

Tax Rebate for Salaried and Non- Salaried Class

Do You Know that under Section 62 (for Mutual Funds) and Section 63 of income ordinance 2001, Government of Pakistan entitles you to a significant **TAX REBATE** against your investments in Mutual Fund.

You can **INVEST** upto Rs. 1,500,000 or 20% of your annual taxable income (whichever is lower) and avail tax rebate.

All the mutual funds managed by Habib Asset Management Limited (HAML), are listed on Pakistan Stock Exchange (PSX) by virtue of which, on an investment in of its funds, you can avail tax credit on the amount of your investment.

How To Avail Tax Credit Facility

Invest in Habib Asset Management's Funds upto your tax ceiling before June 30, 2018

- Invest Rs. 1,500,000 or 20% of taxable income (whichever is lower) in Mutual Funds.

To claim your tax credit amount you just need to do following:

- As a **Salaried individual**, you can inform your HR or Finance Department about your investments by submitting the account statement to adjust your tax credit amount from the monthly income tax deductions.
- As a **Self-employed** individual you can adjust your tax payable by showing investment in your wealth statement at the time of Income tax return filing.

The benefits shown in the following tables are calculated as an illustration based on maximum Investments subject to respective income brackets as defined in ITO, 2001.

Note: To be eligible to benefit from the tax credit the amount of the investment should be held for at least a period of 02 years and there will be no Capital Gains Tax if investment is held beyond for 04 years.

Investment Advisory Services

Separately Managed Accounts (SMA's)

A **Separately Managed Account (SMA)** is a portfolio of securities directly owned by the investor and managed according to a specific discipline and/or style by a professional investment manager.

Types of Separately Managed Accounts

Discretionary SMA:

The investor delegates full control of the portfolio to the investment manager who devises appropriate strategy and implements it. It is investment manager's duty to keep investor up to date regarding his portfolio's allocation and performance.

Non Discretionary SMA:

In this type of SMA, the investment manager only suggests the investment idea. The choice as well as the timing of the investment decision rest solely with the investor. However, the implementation of the approved strategy may be implemented by the investment manager.
