12.	AL Habib Islamic Stock Fund	Shariah Compliant Equity Scheme	High	Principal at High Risk

Market Updates

Money Market Review

The SBP kept the Policy Rate unchanged at 11% in its July'25 Monetary Policy Statement as a cautious stance against expected increase in inflation amid continued volatile geopolitical developments and expected low yields of crops due to heavy floods. At the end of the month, the benchmark 6 months KIBOR stood at 11.02%, compared to 11.13% a month earlier.

The CPI stood at 4.1%YoY in July'25 compared to 3.2%YoY increase last month and 11.10%YoY in SPLY. Core inflation for July'25 stood at 7.0%YoY compared to 11.7%YoY increase for SPLY.

According to PBS data, trade deficit in July'25 stood at USD 2.75 billion compared to USD 2.37 billion in June'25. During the month, exports increased by 8.9% to USD 2.70 billion and exports witnessed a significant increase of 12.37% to USD 5.45 billion compared to June'25. This deficit is 44.16% higher compared to July'24 deficit of USD 1.91 billion.

As per latest SBP data, the foreign reserves at the end of July'25 were USD 19.61 billion compared to USD 19.27 billion in June'25.

According to SBP's press release, foreign exchange remittances were USD 3.4 billion in June'25 compared to USD 3.7 billion in May'25. The total remittances for FY25 were USD38.3 billion compared to USD 30.3 billion in FY24.

The government has collected Rs. 748.6 billion in taxes in July'25 compared to Rs. 659 billion SPLY, posting a 13.59% increase in revenue collection. As of now, the FBR revenue target is set at Rs. 14,130 billion for FY26.

The Large-Scale Manufacturing recorded a 2.3% growth in May'25 compared to May'24, as reported by the PBS. On monthly basis, LSM witnessed an increase of 7.93%. 11months data showed a decline of 1.21% compared to SPLY.

Fixed Income Review

The SBP conducted two T-bills auctions in July'25 with the cumulative target of Rs. 1,939 billion. The SBP was able to raise Rs. 2,047 billion through the sale of short-term papers. The cutoff yields of the last auction were 10.85%, 10.71%, 10.70% and 10.70% for 1, 3, 6 and 12 months bills respectively. In its monthly PIB auction, the SBP sold PIBs of 342.32 billion face value against the target of Rs. 300 billion. The cutoff rates of 2,3,5 and 10 years PIBs were 10.85%, 11.05%, 11.39% and 12.20% respectively. Bids for 15 years PIBs were rejected.

Equity Market Review

The KSE-100 index gained 11.0% MoM in July 2025, closing at a new high of 139,390 points. The rally was supported by strong macro data, record remittances, and improved investor sentiment following U.S.-Pakistan cooperation on energy and trade.

S&P Global upgraded Pakistan's credit rating to 'B-' (Stable), highlighting progress on reforms and stability. Inflation remained low at 3.2% YoY in June, bringing FY25 average inflation to 4.5%, the lowest since FY16. The current account posted a USD 2.1bn surplus in FY25—the highest in 22 years.

Foreigners remained net sellers (USD 32mn outflows), led by E&Ps and Banks, while locals—especially funds and individuals remained active buyers. Cement attracted limited foreign interest.

Market activity was mixed: average daily volumes fell 4% MoM, but traded value rose 19% MoM to USD 125mn, showing increased institutional participation. Major index support came from Banks, Fertilizer, and Tech, with UBL, FFC, and SYS leading the gains.

While the outlook remains positive, risks from energy-driven inflation and external repayments warrant cautious optimism.

AL Habib Cash Fund (AHCF)

INVESTMENT OBJECTIVE

The investment objective of AHCF is to provide its unit holders optimum return from a portfolio of low risk and short duration assets while being highly liquid.
